

Togetherness

Togetherness is being around others  
Fathers, mothers, sisters and brothers.  
It's gathering together to make a friend,  
A relationship that will never end.

Togetherness is working as a team,  
We shine bright together like a beam,  
Showing others that we care,  
And that our support is always there.

Togetherness can be found in prayer,  
A feeling that God is everywhere.  
Linking us all in faith and love,  
In our belief in God above.
